MEMORANDUM FOR: Mr. Matthew Baird

SUBJECT : Solution of Problems.

You will recall that in my office on 16 May [redacted] advised me that Personnel had denied the Office of Training permission to enter on duty a Finance Officer at [redacted] because Training was overstrength in the JOT Program. I immediately telephoned [redacted] and asked him to look into this situation and take corrective action.

Later in the afternoon Vernon returned my call to say that he had investigated the situation and had taken the necessary corrective action. However, he regretted that this matter had been brought to my attention inasmuch as his people had not been contacted by the Office of Training.

I know that you, personally, were not aware of the circumstances leading up to this report by [redacted]. However, I am sure you agree with me that offices in the DD/S area should settle their problems by consultation with each other wherever possible and that this should include consultation between office heads personally if necessary before presenting the problem to me for resolution.
